# Ideas for Using Accordion Books

Accordion books are a fun twist on vocabulary development for young children. My kids loved these as tots and preschoolers. If your child enjoys coloring, let them color – if not, leave the images uncolored or color with your child. Cut the pieces out, staple together and fold. You can see my daughter holding her books below, she loved them!

These photos are from our blog post here ~ [J is for Jellyfish](#)

Cut on dotted lines, fold accordion style on solid lines.

Staple or tape other side here to make an accordion pop up.

# Numbers & Shapes

One circle.

Two triangles.

Three squares.

Four stars.

Five hearts.

Six hexagons.

Seven diamonds.

Eight arrows.

Cut on dotted lines, fold accordion style on solid lines.

Staple or tape other side here to make an accordion pop up.

**Nine rectangles.**

**Ten crescents.**
