

Backyard Birds Nomenclature

For more Montessori Printables, visit [1+1+1=1 Montessori Printables](http://www.1plus1plus1equals1.com)

Nomenclature cards are a [Montessori](http://www.1plus1plus1equals1.com) based idea. The word Nomenclature comes from the Latin “*nomenclatura*” which means *assigning of names to things*. Nomenclature cards are also called “3 part cards” for obvious reasons!

Options

We use our [mini pocket chart](http://www.1plus1plus1equals1.com) when working with 3 part vocabulary cards, you can see Krash in action on the left, he was using the cards from our [How To Train Your Dragon](http://www.1plus1plus1equals1.com) Preschool Pack. Most of our [Preschool Packs](http://www.1plus1plus1equals1.com) have a set of 3 part cards! You can also see him using a set [of Insect cards from Montessori Print Shop](http://www.1plus1plus1equals1.com) in the photo on the right.
