

Thank you for downloading this unit , I hope you find it useful! I created these lessons to homeschool my own children, pulling inspiration and ideas from many different sources. Overall I hope these units will give my preschoolers a solid foundation in God's Word, while also teaching basic early learning skills. The Bible verses featured are from the book,

[My ABC Bible Verses](#) By, Susan Hunt

May God richly bless you as you teach His word to the young ones He has put in your care.

Print both pages, cut out items on this page and have your child glue the different pieces in the correct place on the master page. If your child is able, have him/her do the cutting and gluing. Use this craft to talk about words, letters, sounds, and even parts of a dove!

Congratulations
