Beginning Sound Mazes

These mazes feature images instead of letters, the child follows the images through the maze, marking the images that all start with the focus letter.

Control charts are provided for children who need more help {or if certain images are unfamiliar to your child}. These can be printed, laminated and hooked with a metal ring to be used in many other ways also!

Ideas for Using

Your child can simply use a pencil, crayons or markers to mark each dot. Or try one of these creative ideas: [Dot Paint](#), [dot stickers](#), [finger paint](#), [KwikStix](#), [Dry Erase Activity Center](#), or [magnets with a cookie sheet](#)!
