Calendar Connections

~Note~

The mini set only includes the image cards since the writing would be too small to read for some of the info cards.

Be sure to [print out the info cards from the regular set](#).

Either keep the info cards on one sheet in a folder or notebook, or cut out and use a metal ring to hook them together to use alongside of the mini calendar.

The mini set was created to fit the \$1 pocket chart carried at Target in Fall/2011, see [tutorial for using this chart here!](#)
