

Calendar Connections

Special Edition in honor of the Summer Olympics 2016

This is a basic set with just the calendar card inserts. Use this set to expose basic facts about the upcoming Olympic Games. There are 28 sports, with multiple disciplines this year. The two new sports for 2016 are golf and rugby. I listed each of the 28 sports in alphabetical order. The Opening Ceremonies are on Aug 5, so there is also a special card announcing that day!

I used [Wikipedia](#) for most of my information, you can easily use it to look up any particular sports that spark an interest in your children!
