

Hi! Thank you for visiting [1+1+1=1](http://1+1+1=1) and finding a resource you'd like to use! Please feel free to use these files for your own personal use. I provide them free of charge to bless others!

If you want to share, you may share these forms with others by sharing a link to my blog or to the page that hosts these files. Please do not link directly to just the PDF files (the link you are at now).

It is my prayer that others are blessed through my blog and any files I share!!!

*~If you ever notice a typo, please let me know, a few slip by me now and then and I certainly want to fix them!*

God Bless,

*Carisa*

To make a pop up accordion book, cut out the 2 long rectangles and glue or staple them together to make one long book.

Staple or tape other side here  
to make an accordion pop up.

There is a lamp in my house.

There are keys in my house.

There is a clock in my house.

There are scissors in my house.

There is a phone in my house.

There is a vacuum in my house.

There is a computer in my house.

There is a fan in my house.
