

Thank you for downloading this unit, I hope you find it useful! I created these lessons to homeschool my own children, pulling inspiration and ideas from many different sources. Overall I hope these units will give my preschoolers a solid foundation in God's Word, while also teaching basic early learning skills. The Bible verses featured are from the book,

My ABC Bible Verses By, Susan Hunt

May God richly bless you as you teach His word to the young ones He has put in your care.
