

Thank you for downloading this unit , I hope you find it useful! I created these lessons to homeschool my own children, pulling inspiration and ideas from many different sources. Overall I hope these units will give my preschoolers a solid foundation in God's Word, while also teaching basic early learning skills. The Bible verses featured are from the book,

[My ABC Bible Verses](#) By, Susan Hunt

May God richly bless you as you teach His word to the young ones He has put in your care.

Must Be

Done in Love

God help me remember what I need to do

Help me serve others in everything I do

When I'm walking, When I'm running, when I'm  
standing or when I am jumping

Every step I take, every move I make, it must be  
done in love.

Everything I say everything I do, it must be done  
in love, yeah it must be done in love,

**MUST BE DONE IN  
LOVE, HEY!**

Have your child cut out the toys that s/he has and can share. This activity can lead to tons of discussion as you work through why certain things are harder to share. Some thing like a special blanket may not need to be shared, but you can discuss how to handle these situations. Talk bout how sharing is a way to show love to others. Glue the toys s/he can share on the next page to make a collage!
