Alphabet Mats

Use your choice of the following alphabet mats based on the ability of your child. Here are a few options...

Option 1: Use the solid mats simply to teach ABCs and say them together. Place the sheet in the [Crayola Dry Erase Activity Center](#) and challenge your child to circle the letter you call out. Have your child tell you the sound it makes too!

Option 2: Use the tracing mats for tracing practice.

Option 3: Print one upper and one lower, and cut one set out. Have your child match them all up-either gluing on top or just laying.

Option 4: YOUR great idea!

Read & Write the House...

Print the image/word cards and cut apart.

Tape these around the schoolroom or school area in your home.

Give your child a clipboard, and a pencil and have him/her go around and find the words and record them on either the tracing sheet (younger kids) or on the blank lines (older kids).

For fun, allow your child to use funny glasses, a [fun word pointer](#), and a special pen or pencil!. You could even slip the recording sheet into the [Crayola Dry Erase Center](#) and have your child use that to write on with a dry erase marker!

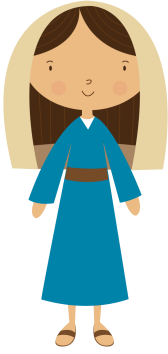

See our blog post about [Read & Write the Room here](#).
