

Story Props

to be used with the book,

[My Merry Christmas](#)

And the real reason for Christmas joy

We print our props on cardstock, laminate, and then cut out. I use sticky magnets on the back and use a cookie sheet to retell the story and highlight important parts.

Additional printables include word cards, and a story sequencing activity.

Cut out the images above and follow along in the story to glue below in the correct order, and with the correct description from the book.

Tell us Jesus came to be.	...sang that night.	...is green when others die.	Tells us wise men traveled far.	Tells us God loves you and me.
