# How Can YOU Help?

There are many ways you can help support the Hinson family and the ministry of Cornerstone Community Church in Kensington. In no particular order, here are some ideas:

- **PRAY** for the Hinson family, the church, and the people of Kensington.
- LEARN more about the **recovery ministry**-our main focus as we serve here. Get in touch with Frank personally to see how you can help. We need prayer, work teams, finances, and more. From the Miracle House, to the Redemption House, to the individual people Frank works with-the needs are tremendous.
- Come to Philly on a **mission trip.**
- Support the Hinson family **financially**, by sending a monthly or yearly donation to support their missionary fund at Cornerstone.
- **Spread the word** about the ministry of Cornerstone by sharing with your small groups, friends, and family.
- Donate school supplies, new backpacks, new socks, and/or new underwear for the **Reading Rocks** Party in August.
- Move to Kensington and let **your life** be an example to others in a hurting community. (yes we know that's drastic, but maybe God is calling you…)
